SRPE COMMUNICATIONS DIRECTOR

The Pernambuco Radiology Society (SRPE), founded in 1963, completed 52 years of its activities on January last. The new Board of Directors, presided over by Dr. Maria de Fátima Viana Vasco Aragão, is enthusiastically preparing to celebrate the 25th anniversary of the Mammary Imaging Diagnosis Course, founded and co-ordinated by Dr. Norma Maranhão, and the 18th anniversary of the Pernambuco Radiology Convention.

The SRPE began the year with innovations in the scientific programme and developments in the planning of its calendar of activities for 2015, with the following activities already confirmed: The Pernambuco Radiology Journal; The Ongoing Education Course; the Imaging Club; Radiopizza; the XXV Breast Imaging Diagnosis Course; the XVIII Pernambuco Radiology Convention and the Day of the Radiologist. We are striving to organise and develop much more for Pernambuco!!!

Below, we give details of the activities confirmed for 2015.

ONGOING EDUCATION COURSE

It completes its 20th anniversary, aimed at helping in the theoretical formation of residents and those in refresher courses in radiology in the State of Pernambuco. It provides freely and on a regular basis, two classes twice a week, from March through October in the SRPE Main Office.

IMAGING CLUB

Held in the relaxing atmosphere of a pizzeria, with the presentation of cases and games and quizzes with prizes. One more gratuitous event geared to SRPE members, residents and those in the refresher courses. This year's dates are: 18th May; 24th August and 19th October.

At a normal SRPE weekly meeting in February, (from left to right): Dr. Cláudia Fontan, Dr. Sávio Cardoso, Dr. Ronaldo Lessa, Dr. Maria de Fátima Aragão, Dr. Paulo Andrade, Dr. Adonis Manzella and Dr. Andrea Farias.

RADIOPIZZA

This is beginning its first year, geared to the theoretical formation of the R2 and A2. It will take place on a rotation basis with four classes given monthly for each module: [Emergency (11th March), Doppler (8th April), Thorax (13th May), Neuro (8th July), Muscle-skeleton (12th August), Abdomen (9th September), Paediatrics (14th October) and Head and Neck (11th November)]. It will be a gratuitous course and we will make a limited number of places available for SRPE members who are up to date with their membership subscription, and who enrol in advance.

Representatives of the co-ordinators of the Pernambuco Radiology Residents held a meeting on 4th February to plan the timetable for the Ongoing Education Course and to create the RADIOPIZZA. (From left to right): Adonis Manzella, Fátima Aragão, Bruno Mota, Paulo Andrade, Roberto Lemos, Filipe Aragão, Adriano Hazin, Murilo Rodrigues, Glerystane Holanda and Ronaldo Lessa.

THE DAY OF THE RADIOLOGIST CELEBRATION

NEW ADMINISTRATION

In her induction speech **Dr. Maria de Fátima Vasco Aragão** recalled that the mission of the SRPE is to advance the work in favour of the formation of medical doctors and radiologists; ethical practices; professional updating; unity among radiologists and standing up for the profession.

On closing her talk, she said, *“the major aim of all our work will always be directed to our patients having the highest quality of humane and state of the art attendance”*.

The new President of SRPE, Dr. Fátima Vasco Aragão, speaking on the day of her induction.

ANNUAL THEORETICAL TEST FOR DESIGNATION

Residents in Radiology and Imaging Diagnosis sitting the annual test in Pernambuco.

In an auditorium provided by the Pernambuco *Hospital das Clinicas*, on 14th December 2014, the Annual Designation Test was held for Title os Specialist in Radiology and Imaging Diagnosis (R1/A1, R2/A2, R3/A3), as well as for in ultrasonography. Present were residents from Pernambuco and also from other Northeastern states.

Induction of the new Brazilian College of Radiology (CBR) Board of Directors Date: 30th January 2015: *São Paulo - Brazil*

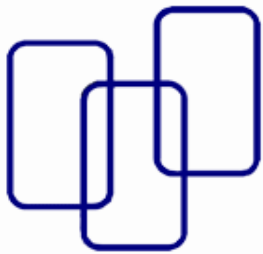

The new Board of Directors of the Brazilian College of Radiology was inducted during a solemn event on the premises of the College. It marked the closing of Dr. Henrique Carrete's successful administration as President of CBR, the nation's greatest radiology entity, and the beginning of its new administration presided over by Dr. Antonio Matteoni. It was a moment of confraternity, for all those present, among whom were the members of the Board, presidents of radiology societies from other Brazilian states, representatives from various related societies, from medical organisations and from PADI. There was also a large contingent of radiology doctors, advisers and collaborators. Pernambuco was represented by the President of SRPE, Dr. Maria de Fatima Aragao and by Dr. Antonio Carvalho, a SRPE board member, and current Northeast Vice-President of CBR. SRPE is fine-tuned to the innovative proposals of the CRB, developing a work of mutual cooperation for the good of Radiology and Imaging.

MEETING OF THE CBR ON 30/1/2015 WITH THE PRESIDENTS OF STATE RADIOLOGY SOCIETIES AND THE NEW CBR BOARD OF DIRECTORS

Dr Antônio Carlos Matteoni at a meeting of the CBR.

Taking part in the meeting in São Paulo with the new CRB Board of Directors was the President of the SRPE, Dr. Maria de Fátima Vasco Aragão and Dr. Antonio Carvalho, a member of the SRPE Board of Directors and current Northeastern Vice-President of CRB. One of the principal points on the agenda was, **“The Faith in Diagnosis via Imaging Programme (PADI)**. The major objective of PADI is that of inclusion, which means, raising the standard and quality of services in diagnosis via imaging and that all may be incorporated and adjusted to the PADI Norm and, thus guaranteeing excellence allied to remuneration through merit and quality. PADI is an achievement on the part of all of us, of the whole radiology class. *Visit the CRB website (www.cbr.org.br).
